Everyone needs to drink water. But do you know that we also need to save water? Fresh water is limited on Earth. We use water for drinking, cooking, washing and farming. However, some people waste a lot of water. For example, they leave the tap running while brushing teeth. To save water, we can take shorter showers, fix dripping taps, and reuse water for plants. Saving water is not just good for us, but also for our planet. Let's start today!

- 1. Why do we need to save water?
  - A. Because water is not useful.
  - B. Because fresh water is limited.
  - C. Because water is expensive.
- 2. Which is NOT a use of water mentioned in the passage?
  - A. Driving cars.    B. Cooking food.    C. Washing clothes.
- 3. What is an example of wasting water?
  - A. Taking a short shower.
  - B. Leaving the tap running when brushing teeth.
  - C. Fixing a dripping tap.
- 4. How can we save water?

- A. Take longer showers.
- B. Reuse water for plants.
- C. Use more water for washing.

( ) 5. What is the main idea of the passage?

- A. Water is fun.
- B. We should save water.
- C. Everyone likes water.
